

**EUROPEAN
COATINGS**

www.european-coatings.com

The European Coatings portfolio includes trade publications, industry events, and unique services connecting the largest community of experts in the global coatings industry as well as allied industries such as printing inks, adhesives and sealants, and construction chemicals. Unsurpassed in size and quality, our audience engagement opportunities represent a solid backbone and valuable foundation in achieving your individual communication goals.

WEBINAR

Generate new business contacts world-wide! We provide a streamlined, custom-tailored webinar that does not require major effort or specialized equipment – your focus is presenting subject-matter expertise to the audience and we do the rest. Participants and speakers communicate live from wherever they may be, without added travel time and expense. We supply our organizational skills and our technical and market know-how in effectively presenting you to the appropriate industry segment.

Sample topics and attendance from recent webinars:

- Epoxy curing agents:**
~810 participants
- Flame retardants:**
~450 participants
- Paint dispensing:**
~240 participants
